## WELCOME TO PARADISE

A beautiful restored country retreat, Casa La Siesta is far from your average boutique hotel in Andalucía, Spain. An atmospheric "cortijo" with eight stylish guest rooms and a small but impeccably trained team who pride themselves on anticipating each guest's every whim. A secluded and private hideaway that oozes understated luxury.

LUXURY

TRULY  
MAGICAL

Most of the weddings take place outside during the summer months. During the cooler months (November-April) a marquee can be placed over the central courtyard. For smaller weddings the main salon can be used. If you wish to have a blessing here, we can suggest a Humanist Minister, who can travel to Casa La Siesta to perform the blessing.

## Casa La Siesta

really is the perfect place to enjoy your wedding in Spain. There are no packages or deals, only our commitment to delivering exactly what you want on your most special day. Celebrate your marriage

with a blessing here at the Casa, or simply return here after your religious ceremony in the stunning local church - located in the white hill top village of Vejer de la Frontera. Then dine and dance the night away under the

Andalucian stars in our beautiful central patio. In order to ensure we continue to deliver the highest quality of service, we limit the number of weddings to 10 per year. We can host up to 130 people in summer.

## MAGICAL CELEBRATIONS

# YOUR DAY, YOUR WAY

# ALL ABOUT DETAIL

Weddings at Casa La Siesta are bespoke luxury weddings. We assist our clients in creating memorable, magical celebrations that exceed expectations.

Our personal approach ensures the weddings we host are meaningful and truly reflect our clients as individuals and couples and state something about their shared values and sense of style.

The heart of the Casa includes 7 large and beautiful decorated guest rooms and our stunning "Casita". The "Casita" is a self-catering accommodation comprising 2 bedrooms, kitchen, pool and garden. The rooms and the "Casita" make a total of 8 luxury guest rooms that we can offer to you and your guests.

Details of each room can be found on our website. We can accommodate up to 18 adults. Some of the rooms are large enough for an extra bed (subject to a small supplement).

## FAIRYTALE LUXURY WEDDINGS

*"After our intimate and authentic wedding in the local church, we were all welcome at Casa La Siesta with a sprinkling of chilled Cava, exquisite canapés and delicious cakes. This was the start of a magical day where food was a key highlight for us and our guests."*

An authentic Andalusian breakfast is served in the mornings for guests staying in the beautiful Casa - a wonderful start to your day! Delicious sandwiches and salads are provided for hotel guests pre-wedding. Together we can design your catering wishes, in order to 'wow' your guests.

## BON APPÉTIT

Enjoy a cava reception with canapés, cakes, traditional 5J jamonero and 3 course dinner, including sensational wines from our area - one of the best winery regions in the world. Take advantage of an open bar, signature cocktails and a delicious choice of snacks after midnight to keep everyone in the dancing spirit.

Maybe an informal post wedding pool party with juice or pool cocktail bar to really make everyone feel at home? Anything is possible at the Casa. Feel free to discuss your wishes and desires with our wedding planner.

The heart of Casa La Siesta is its lovely central courtyard lined with shady spots for dining together in the evenings. Dotted around it, each guest room comes with its own private terrace, should you want to relax and unwind with a book or a glass of wine and enjoy the stunning sunset. The house opens out onto gardens full of olive and orange trees and banks of scented lavender,

while two lawn-lined swimming pools (one heated for Spring and Autumn) are on hand for cooling off on sultry summer afternoons. Beyond that, the rolling hills of the Cadiz countryside stretch away...

To complement that is one of Spain's most beautiful virgin white beaches only 15 minutes away.

PURE  
ELEGANCE

We supply a full in-house floristry service which will provide you with bridal and bridesmaid bouquets, buttonholes, table decorations, floral arches, etc.

For wedding guests unable to stay at the Casa, we can recommend other good quality local hotels, of

which there are plenty. There are also a couple of rental houses in our village, Los Parralejos. A local coach company can pick up and drop off all your guests.

We are very hands-on and understand that the choice of venue is a very important decision.

Therefore we do recommend you visit the Casa and meet our dedicated team, who will be delighted to welcome you and share the beauty of our home.
